Here at Dom's we prepare everything homemade with the same love & care our grandparents had when they were teaching us.

For example, How to kneed the dough just right or that nothing beats fresh vegetables for your soup or my personal favorite, *"there is to be no red in the white when you are laying lasagna"*. We demand that same kind of love and attention to detail in all of our meals.

If you don't see it on the menu doesn't mean we can't do special dietary needs, party planning or menu requests.

All you have to do is ask if we can accommodate,

...and we sure will!

Thank you very much!

Ralph & Angela
